

CLASS SPONSORED PARTY TONIGHT!

Don't forget about the "Welcome Back" party tonight at **7:00** at THE VARSITY— (3353 Highland Road). The JR & SR class officers have worked hard to host this, and they hope everyone will come out and enjoy the entertainment and social opportunity! Reminder of the Mardi Gras theme... reminder to wear your nametag to get in.

Nominations close at 1:00 tomorrow afternoon. Also, at 1:00 tomorrow afternoon, all nominees will have the

opportunity to deliver a VERY short few campaign words prior to the afternoon session of their Monetary Economics class (BEC 1510). We encourage all FR students to be back from lunch at that time to hear from the future leaders of your class.

Polls will open at 5:30 tomorrow evening and close at 5:30 Sunday evening, with the election results announced via Canvas by around 6:30 pm.

I cannot stress enough the importance of the Student Advisory Council and, given that the Council is comprised of five members, a good race should include nine or 10 (or more) candidates. So, if you have aspirations to run for office, find a friend to nominate you and get busy politickin'!

"CRAYFISH?"

Please don't let me hear you call them crayfish... it's like nails on a chalkboard here in BR. CRAWFISH is the politically correct term and all students are invited to enjoy some tomorrow night starting at 6:30PM at the LSU Mini Barn (91 Ag Center Dr, Baton Rouge, LA 70803). For those that view them as

1955 SBS Seafood Party

"mudbugs" we will have jambalaya, chicken, and salad so we feel confident that you won't leave hungry... or thirsty, we'll have plenty of drinks too! I encourage everyone to try at least one if it's your first time, any LA native will be happy to provide a peeling tutorial.

NEW WISDOM – MARK TRINKLE

BMSIM EXAMINERS

The BMSim examination team of **JOHN LAND, TOD TRUELOVE, DAVID COYLE**, and new to the team, **CRAIG NULLINER**, make the extremely difficult job of keeping all of our BMSim banks on the “straight-and-narrow” look simple. Believe me, it’s *not* simple! Their contributions to the educational value of the school by ensuring that the simulated banks and their bankers follow safe & sound banking practices & policies cannot be understated, and we appreciate them immensely.

And if these bankers *don’t* follow safe & sound banking practices & policies, look out! They are not afraid to hand out warnings, levy fines, or give the gift that keeps on giving... C&D ORDERS!

ENROLLMENT

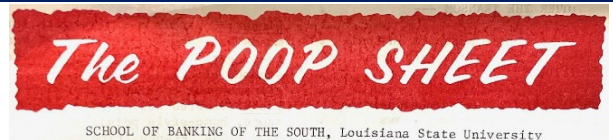

With 497 total enrolled students for the 2024 session, the Graduate School of Banking at LSU continues to remain one of the largest schools of its kind in the US. This year, our students hail from 18 states and Mexico.

THE POOP SHEET

JUNE 13, 1962

Director Swayze says serious consideration is being given to changing dormitory rules by making it permissible for all students to conduct themselves here in exactly the same manner as they would at home. “If you call hogs and slam doors after 10 at home, maybe you should here,” he said. Actually, many of you have not realized what perfect echo chambers our dormitories are, magnifying minute sounds into torrential thunder. Think before you shout down the hall!

Consider the plight of one group which says a bunch of “teenagers” are on one side staying up late at night, and a brace of farmers are on the other side getting up at dawn to check the crops.

Chow Line Chatter:

“Won’t it be great to get back to the bank where we don’t have to work so hard.”

“Last week I was confused, this week I’m just perplexed.”
